- Freestanding tub
- Frameless shower enclosure
- Custom cabinetry
- Modern lighting design
- High-end finishes

A picture says a thousand words.
Testimonials, even more.

“We used Bailey to remodel our kitchen, laundry, and master bath. They also refinished our deck and screened porch. We could not be happier with our experience – for a large project like ours, they were calm, cool and collected throughout the entire renovation from ideation to completion.”

PROJECT OVERVIEW

Bailey Design + Build crafted a custom solution by adding a two-story rear addition, redesigning the original layout, and building a detached carriage house. The result: a beautifully expanded and reimagined home that honors its neighborhood roots while embracing modern living.

OBJECTIVES

- Create a spacious and elegant bathroom with a focus on relaxation and functionality.
- Maximize storage without compromising aesthetics.
- Incorporate high-end fixtures and finishes to align with the client's vision.
- Improve natural and artificial lighting.

SOLUTIONS

Design Excellence

Developed a custom layout to optimize space and flow.

Premium Features

Installed a freestanding soaking tub, a frameless glass shower, and a double vanity with quartz countertops.

Lighting Upgrade

Added layered lighting, including recessed ceiling lights, sconces, and LED accents.

Material Selection

Used high-end, durable materials like porcelain tiles, brushed gold hardware, and eco-friendly finishes.

Storage Solutions

Built custom cabinetry with hidden compartments for a sleek look.
